

Beothuk Institute Letter of Agreement

April 4, 2026

To the Members of the Beothuk Institute:

To continue our relationship with the province and to honour our mission statement we ask that each member sign the following statement as a part of membership. If you feel unable to sign this document, we regret to inform you that full membership in the Institute will not be possible. If you have already paid dues for the coming year and wish to cancel, the money will be returned to you.

Please sign and email your signed document, or mail to Box 173, Norris Arm, NL A0G3M0.

The Beothuk Institute is a non-partisan organization that works with the recognition of the Provincial Archaeological Office and their archives and made up of people in all walks of life, Indigenous and settler.

I affirm my commitment to the mission of the Beothuk Institute and acknowledge that The Beothuk Institute is an organization dedicated to honouring the Beothuk whose living culture is considered extinct. Our purpose is to support archaeological research that will enable us to tell some of the story of this Indigenous Nation and to preserve what might be discovered.
